POOL RULES:

- Please note that Soap Showers are required by the State of Connecticut prior to swimming in the pool. It helps us maintain a clean facility.
- Lap lanes are not for individual swimmers and must be shared. Please circle swim in these lanes. Circle swimming requires a swimmer to always stay on the right side of the swim lane.
- There is no jumping or diving allowed in the pool.
- Do not hold your breath while swimming.
- Please note that Full Face Snorkeling Masks and/or Mermaid Tails are not permitted at the SCCYMCA.
- The lifeguard has full authority.
- Long hair must be tied back, or a swim cap must be worn.
- Please note that some programming may take place during our Lap Swim times. We appreciate your ability to share the pool with all members.
- Share lanes whenever possible. Always announce your presence before swimming in a swim lane with another participant.
- For your safety, you may be asked to perform a swim test.

POOL RULES DURING FAMILY SWIM:

- Children ten and under must be accompanied by a parent in the pool.
- Children requiring a Coast Guard Approved flotation device must be within arm's reach of an adult for safety. (Touch Supervision) Children must also remain in the pool's shallow end if they require a flotation device.

POOL CLOSURE:

If there is no school or a storm delay in Southington, there are no Aquatic Fitness Classes. When in doubt, call the Y before attending lap swim or classes during inclement weather.

Please note that the pool will close during thunder & lightning storms for your protection and will re-open 30 minutes after the last sound of thunder. Thank you for understanding.
