* Parents/Guardians are required to register their child for all camp sessions and pay a minimum **\$25 deposit per session per child AND a mandatory Camp Improvement Fee per child** in order to hold their spots in camp while financial assistance is being determined. Lending a Helping Hand

Financial assistance is not a hand-out, but a helping hand. Requests for assistance always exceed the dollars available, therefore, we ask that each applicant honestly assess their need and complete the application truthfully. Assistance is a temporary agreement and extended only in a time of need and could change from year to year. The percentage of financial assistance awarded is **valid for one year** or 365 days.

All financial assistance applications will be reviewed periodically. Each recipient will pay a portion of the fee based on the specific need of the individual or family.

Please remember that financial assistance is distributed on a "first come, first serve basis" and is subject to the availability of funds. Our decisions are made carefully using the guidelines of the YMCA of the USA. The assistance is based on gross income of the household, number of dependents and extenuating circumstances.

Where does our funding come from?

We count on the generosity of our members and partners to keep our doors open to whoever needs a place to go to help them be healthier, confident, connected and secure. This is not just a gym; it is a community.

Funds for financial assistance are made possible through generous financial contributions of our members, friends and corporate contributors to our Annual Support Campaign.

Please feel free to contact us with any questions or concerns that you may have. We look forward to working with you and your family.

Sincerely,

Tara Johnson, Accounts Receivable Coordinator
