Dear Friends of the Y,

At the Southington-Cheshire Community YMCAs, we believe that strong partnerships create strong communities. As a cornerstone of health, wellness, and youth development, the YMCA serves thousands of individuals and families across Southington and Cheshire.

We invite you to become a valued corporate sponsor and align your brand with one of the most recognized and respected nonprofit organizations in the nation.

Your partnership provides meaningful visibility for your company while directly supporting vital programs such as child care, summer camps, and chronic disease prevention programs and other essential initiatives. Together, we can strengthen our community and ensure individuals and families of all backgrounds have access to opportunities that promote youth development, healthy living, and social responsibility.

We welcome the chance to discuss how a YMCA partnership can align with your philanthropic and business goals. Enclosed are details about sponsorship opportunities and recognition benefits.
