- Do not hold your breath while swimming. No extended Breath Holding.
- The lifeguard has full authority.
- Long hair must be tied back, or a swim cap must be worn.
- Please note that some programming may take place during our Lap Swim times. We appreciate your ability to share the pool with all members.
- Share lanes whenever possible. Always announce your presence before swimming in a swim lane with another participant.
- For your safety, you may be asked to perform a swim test.

POOL RULES DURING FAMILY SWIM:

- Children ten and under must be accompanied by a parent in the pool.
- Children requiring a flotation device must be within arm's reach of an adult for safety. (Touch Supervision) Children must also remain in the pool's shallow end if they require a flotation device. Adult must be in the pool at all times.
